DETAILS: AT CHICAGO, ILLINOIS

I. BACKGROUND

Residence

Contact was made with the switchboard operator of the Carriage House Hotel, 215 East Chicago Avenue, Chicago, Illinois, by Special Agent WILLIAM F. ROEMER on April 17, 1969. She attempted to raise VOGEL in his apartment, 1101, which she advised VOGEL continues to maintain. However, there was no response to her attempts.

II. CURRENT ACTIVITIES OF VOGEL

CG T-1 advised that he is aware that VOGEL resides in apartment 1101 at the Carriage House Hotel on the near north side of Chicago. However, he advised that VOGEL spends little time in the Chicago area and therefore is in his apartment on a very limited basis.

Investigation of the Los Angeles Division of the Federal Bureau of Investigation has determined that ANN FENNER, with whom VOGEL has resided for two decades, continues to maintain her residence in Encino, California. It is noted that information has previously been reported that there are indications that VOGEL and FENNER are actually man and wife. However, this has not been confirmed although it is known that they have lived together as man and wife for a considerable number of years.

CG T-1 advised that he believes that VOGEL at the present time is living in a semi-retired capacity and that he has little or no interest in the affairs of organized crime in the Chicago area.

CG T-2 advised that there are two locations where VOGEL can be located whenever he is in Chicago.

This informant advised that these locations are Fritzel's Restaurant located on the corner of State Street and Lake Street on the northern most fringe of Chicago's loop. Also, Postl's Health Club, 188 West Randolph, Chicago, Illinois. CG T-2 advised that it is the custom of VOGEL to spend almost every afternoon at Postl's when he is in Chicago and to dine almost every evening at Fritzel's when in Chicago. However, CG T-2 confirmed the information obtained from CG T-1 by saying that VOGEL spends very little of his time in the Chicago area and that he is in a semi-retired status.

Coin Machines Seized to Collect Taxes

BY DAVID GILBERT
(Picture on back page)

State revenue agents, accompanied by state troopers, confiscated juke boxes and coin operated amusement devices in Chicago and three suburbs yesterday for failure to display state amusement tax stamps.

George Mahin, director of the state department of revenue, said the raids were the opening phase of a drive to halt a loss of $250,000 or more a year in revenue to the state from untaxed machines.

25,000 Cheat Tax

"We are serving notice on the people who own these machines that they must buy the state stamps," Mahin said. He estimated that thruout the state there are 25,000 machines on which the state tax has not been paid.

Small crowds gathered in the Loop to watch the raiders take machines from such places as the Treasure Chest store, 19 W. Randolph st.; Stineway drug store, 82 W. Randolph st.; and the Greyhound bus station at Randolph and Clark streets.

Ed Neafsey, chief fraud investigator for the revenue department, said that some establishments claimed to have state licenses for the devices even tho the licenses were not affixed to the machines, as is required by law.

Neafsey said that all machines which do not display the state tax stamp would be seized. All confiscated devices were taken to a warehouse at 7615 N. Paulina st. Mahin said the owners would be billed for the $10 tax, a 20 per cent or $2 penalty for nonpayment, and hauling and storage fees.

Half Are Not Taxed

"Investigation has revealed that less than half the coin operated amusement machines in the state are state licensed. This particular tax law has been ignored for too long," Mahin said.

The raids were carried out in Chicago Heights, Calumet, City, Cicero, and Melrose Park as well as in Chicago. An aid to Mahin said that one raiding party confiscated machines owned by the Cooperative Music company of 1728 Halsted st., Chicago Heights, which is operated by Frank Franze, a brother-in-law of Frank LaPorte, a south Cook county gambling boss.

Another raiding party, this one in Melrose Park, confiscated machines owned by the Apex Amusement corporation, 7730 Milwaukee av., Niles, operated by Gus Alex, an upper echelon gambling figure in the crime syndicate.

Mahin said that there are 13,073 amusement devices in Chicago licensed by the city but that less than half of these are licensed by the state.

100 Devices Seized

The agents raided 26 establishments and confiscated nearly 100 amusement devices, Mahin said. The exact number would not be known until officials have completed an inventory.

Mahin reported that the amusement tax stamp office in the state building was swamped within two hours after news of the raids spread thruout the area. More than 200 persons had sought applications for amusement machine licenses by 4 p. m. On a normal day the office only processes a few applications.

News of the raids travelled fast, Mahin said. In Cicero, investigators found several devices at two locations where the stamps had been freshly applied.

List Places Raided

Places where agents confiscated devices were:

MELROSE PARK — Don and Paul's Snack shop, 25th avenue and Lake street; Leoni's lounge, 171 N. 23d av.; Come Back Inn, 1921 Lake st.; and the Grape Vine, 1512 Lake st.

CALUMET CITY—Zig Zag lounge, 18 State st.; Calumet Wine and Liquors, 20 State st.; Caliente lounge, 11 State s.; Myr's Ranch Tap, State street and Ingraham avenue; Wo-Jo's lounge, 200 State st.; the Yo-Yo club, 213 State st.; Barney's lounge, 219 State st.; The Place, 308 State st.; The Oasis lounge, 117 Plummer st.; and the Caravan lounge, 401 State st.

CICERO—The Radar lounge, 2308 S. Cicero av.; Art's cafe, S. Laramie av.; Palace Bowling alley, 5240 25th st.; Stadium lounge, 5151 19th st.; and Phoenix lounge, 5131 Cermak rd.

CHICAGO—Vogue Cocktail lounge, 2035 Howard st.; Queen's Paradise, 620 N. Clark st.; Highlide lounge, 211 N. LaSalle st.; H & H lounge, 205 N. LaSalle st.; Greyhound Bus terminal, Clark and Randolph streets; Stineway Drugs, 82 W. Randolph st.; and the Treasure Chest store, 19 W. Randolph st.

Mahin described the raids as "highly successful enforcement measure." He said the return in revenue to the state would be high.

Mahin vows new seizures of unlicensed coin devices

BY FRANK VON ARX

MORE SEIZURES of unlicensed amusement devices were promised today by George Mahin, state revenue director.

Mahin said he is elated with the results of 26 surprise raids yesterday in which more than 100 machines were seized.

The fact that some machines came out of reputed crime syndicate taverns was a bonus in the state's crackdown on tax cheats, Mahin said.

He estimated the state is losing more than $250,000 annually because of unlicensed machines.

"LET ME SAY that we suspect there are more unlicensed than licensed machines in operation," Mahin said after the raids.

In addition to the $10 state fee, Chicago owners must pay a $25 city tax.

"Most of the unlicensed machines are in the Chicago area, but there are enough of them in downstate areas," he said. "We'll make more raids within a few weeks if owners don't register their machines."

Four squads of state police under direction of Roswell Spencer, chief revenue department investigator, made the raids yesterday afternoon in the city and in Melrose Park, Cicero, Chicago Heights, and Calumet City.

Confiscated machines were taken to a warehouse at 7615 N. Paulina st., were they will be held until owners pay the $10 tax, a $2 penalty, and moving and storage fees. Owners are subject to a $200 penalty for failure to buy a tax stamp.

WITHIN HOURS of the raids, more than 200 persons made application for tax stamps in the State of Illinois building in the Loop.

One of the first raids was at the Cooperative Music company, 1728 Halsted st., Chicago Heights, which Mahin said is operated by Frank Franze, a brother-in-law to south Cook county gambling boss Frank LaPorte.

Mahin said the Melrose Park raiding party confiscated machines owned by Apex Amusement corporation, Niles, which he said is operated by Gus Alex.

Big area raid on coin machines

By Fletcher Wilson

Raiders carted off dozens of unlicensed coin-operated machines Wednesday in a Chicago-area crackdown on tax cheating.

Juke boxes were a principal target of the hit parade staged by the state Revenue Department with the aid of state troopers.

The raiders also hauled away many pinball machines and a variety of other amusement devices from 128 bars, restaurants and other businesses, in Chicago and three suburbs.

Many of the machines are controlled by crime-syndicate-owned vending companies, according to George E. Mahin, director of the Revenue Department.

He said the raids followed a 30-day investigation of widespread cheating on the law that requires a $10 state tax stamp for each such machine.

Mahin said 22,000 coin-operated devices are registered in Illinois, but the investigation indicated there are at least 25,000 machines without the tax stamps.

The raiders hit several places in the Loop that are within shouting distance of the State of Illinois Building, 160 N. State, where taxes on the machines are payable.

For example, at the Treasure House, 19 W. Randolph, they hauled away five unlicensed pinball machines.

Seize machines in a bus depot

Four different sites in the Greyhound Bus Station yielded four juke boxes.

Teams of raiders fanned out into the suburbs, hitting bars and restaurants in Calumet City, Cicero and Melrose Park.

The machines were loaded into trucks, then hauled to the Werner-Kennelly Moving and Storage Co. warehouse at 7615 N. Paulina.

Mahin said the owners of the machines will have 30 days in which to buy a $10 tax stamp, pay a $12 penalty and pay for hauling and storage costs.

As an alternative, the state can bring charges against the owners of such machines under a law that provides for a maximum $200 fine for failing to buy a stamp.

Downstate raids also are planned, Mahin said.

Word of the raiders' activity in the Loop and the suburbs quickly reached the machine vendors.

Applications for stamps

The raids proved a great stimulus to sales of stamps for coin devices.

Mahin said more than 200 applications for stamps were made after 2 p.m. Wednesday.

"It's a rare day when we receive more than one application, except toward the end of the year when renewal time arrives," Mahin said.

"This is one of the most successful enforcement attempts ever made by the Department of Revenue," he added. "It will generate thousands of dollars in revenue. And this is only the beginning."

Widespread tax cheating

Records of coin machine licenses issued by the city helped investigators pinpoint widespread tax cheating, Mahin said. He said 13,073 machines are licensed the city, with less than half that number being licensed by the state.

Other places hit in Chicago were the H and H Lounge, 205 N. LaSalle; the High Tide, 211 N. LaSalle: The Queen's Paradise, 620 N. Clark, and the Vogue Cocktail Lounge, 2035 W. Howard.

The lawyer was ready to start negotiating for the return of that music box and others owned by the firm that were confiscated Wednesday. He was told to come back on Thursday after an inventory had been made.

In Calumet City, juke boxes were picked up in the Zig-Zag Lounge, 18 State; Calumet Wine and Liquors, 20 State, and the Caliente Lounge, 11 State.

Mahin's office said all three machines were owned by the Co-operative Music Co., headed by Frank Franze, brother-in-law of Frank La Porte. For years, La Porte was the syn-

State seizes 100 pinballs, jukeboxes

State revenue agents raided 30 businesses in Chicago and thre soldiers in a crackdown on coin-operated amusement machines without state licenses.

Almost 100 jdkeboxes, pool games, pinball machines and similar games, worth thousands of dollars, were taken in raids Wednesday.

George E. Mahin, state director of revenue, said nonpayment of the state's $10 license meant a loss of more than $250,000 to the state.

THE RAID sites in Chicago included the Greyhound Bus Terminal at Randolph and Clark St. Raiders struck various spots in Cicero, Melrose Park and Calumet City after a 30-day investigation.

A check of city license records showed that less than half of the 13,000-plus games licensed by the city did not have state licenses.

Mahin said there are at least 25,000 other unlicensed games in the state.

Informant advised that the current pattern of activity on the part of GUS ALEX is to leave his residence early in the morning. Informant advised that ALEX has extreme difficulty at the present time, sleeping, due to a nervous condition and for this reason, on many occasions leaves his residence prior to 7:00 am. ALEX, on two or three occasions per week drives his GTO automobile to the Apex Amusement Co., in the 7700 block of N. Milwaukee Ave. in Skokie where he remains until approximately 10 to 10:30 am. ALEX then returns to his residence and then either drives his car, takes public transportation or walks to the law office of EUGENE BERNSTEIN at 77 W. Washington in Chicago. At 3:30 pm on almost every weekday of the week, informant said, ALEX then goes to the Riviera Health Club located in the Outer Drive East apartments, 400 E. Randolph.

Informant advised that ALEX generally remains at the Riviera Club until approximately 5:30 when he then occasionally goes to Fritzl's Restaurant on the corner of State and Lake Streets where he has a drink and then returns to his residence at 1300 Lake Shore Drive.

Informant advised that ALEX almost invariably remains in his residence for the rest of the evening, dining at home with his wife.

Concerning ALEX's wife, informant advised that she has suffered a reoccurrence of the problem which she has been suffering from for some time, a tumor of the breast. Informant noted that she has had some surgery in the recent past and that she now very likely will have to again submit to surgery. Informant advised that for one reason or another it is unclear at this time whether the tumor is malignant.

Informant advised that BUTCH LADON and HI GODFREY, who formerly functioned for ALEX as errand boys and messengers, are very infrequently employed by ALEX at the present time. Informant also advised that BUTCH LADON no longer works for EDWARD VOGEL as he has in the past.

Informant advised that the individual who now performs the services previously performed by GODFREY and LADON for ALEX is HARRY HOCHSTEIN. Informant noted that HOCHSTEIN is an little old man who was formerly employed at the Meadow Moor Dairy and who has been a close associate of MARIE HUMPHEYS in the past.

Informant also advised that he understands that SAM "RIP" ALEX, the brother of GUS ALEX, continues to reside in a summer home in the vicinity of Cassopolis, Michigan, and that ALEX occasionally spends weekends with him there.

CG [redacted] b7D

Concerning the status of ALEX's health, informant advised that ALEX continues to be very "jumpy" and nervous. He advised, however, that there has been no particular deterioation of the health of ALEX in recent months.

Informant advised that LESLEY KRUSE continues to recuperate at his residence in Skokie. The informant advised that he recently visited KRUSE in his residence and it is his impression that KRUSE has suffered somewhat of a setback in the normal progression of his recuperation. He advised that KRUSE appears to be sluggish and does not appear to have the vitality which a person who is normally recuperating from a heart attack would have seven weeks after the attack. He advised that KRUSE does not appear to be strong enough to exercise as his physician prescribes with the result that he does not appear to be making a satisfactory recovery at this time.

SUBJECT: EDWARD DAVID VOGEL, aka

Re Los Angeles letter to Chicago dated 3/28/69 and report of SA WILLIAM F. ROEMER dated 4/23/69 at Chicago.

On 5/9/69, a spot check was made of the residence of ANN FENNER, paramour of VOGEL, at 4655 White Oak, Encino, and it was noted that ANN FENNER's car was parked in the driveway of this residence. This vehicle is a 1969 Ford sedan bearing California license YOA 077.

In addition, there was also parked in the driveway of FENNER's residence a Ford vehicle bearing California license XUF 587. No other activity was noted at the residence.

On 5/9/69, the records of the Department of Motor Vehicles (DMV) at Los Angeles were checked and it was determined that California license XUF 587 is listed for a 1969 Ford sedan registered to Town and Country Ford, 7400 Reseda Boulevard, Reseda, California, with legal owner indicated as Ford Motor Company, Post Office Box 607, Dearborn, Michigan.

It is noted that FENNER has always purchased her vehicles from this Ford dealer and it is possible that this may be a leased car from that company.

No additional information concerning VOGEL or FENNER has come to the attention of the Los Angeles Office.

As investigation at Los Angeles has been limited to spot checking the FENNER residence, this case will be considered referred upon completion to the office of origin and it will be left to the discretion of the Chicago Office to set out specific leads for any investigation requested of Los Angeles for Chicago.

[redacted] also exhibited paid Invoice #11325, dated 4/1/69, reflecting a billing by Recorded Music Service Associations, Inc., for 285 machines at 25¢ per month for a 3-month total of $213.75, for "Association Dues - 2nd Quarter."

Assuming there are approximately 7,000 juke boxes in the Chicago area, the above two associations collect approximately $100,000 annually in this manner.

I. BACKGROUND

Residence

CG T-1 advised that EDWARD VOGEL continues to reside in Suite 1101 in the Carriage House Hotel, 415 East Chicago Avenue, Chicago, Illinois.

This source advised, however, that VOGEL spends very little time at the Carriage House Hotel and that apparently he spends most of his time outside the Chicago area.

This source was unable to furnish any information concerning visitors to VOGEL's apartment or VOGEL's associates.

On May 9, 1969, an observation was made of the residence of ANN FENNER, paramour of VOGEL, by an agent of the Los Angeles Office. FENNER resides at 4655 White Oak, Encino, California. It was noted that her automobile was parked in the driveway of this residence. However, there was no information available indicating the presence of VOGEL.

II. CURRENT ACTIVITIES OF VOGEL

CG T-1 advised that insofar as he is able to ascertain VOGEL spends very little time in the Chicago area, however, when he is in Chicago he stays in his apartment until the noon hour or later. He then goes to the Rivera Club, 400 East Randolph, a health club. He then generally has a drink and dinner at Fritzel's Restaurant on the northern fringe of the loop area of Chicago. He then returns to his suite at an early evening hour and retires for the evening.

This informant advised that he has not observed VOGEL in the company of any other leader of organized crime in the Chicago area, and no other source has furnished such information.

Investigation conducted at Palm Springs, California reflected that the hotel-type establishment located on Indian Avenue and Tahquitz, Palm Springs, is identical to the Palm Springs Spa Hotel located at 100 North Indian, Palm Springs, California.

Investigation at this hotel reflected that EDWARD DAVID VOGEL is not currently or has not recently been a guest at the hotel. Also, it was determined that currently there are no Chicago hoodlum figures known to be residing at this hotel. It is noted that this hotel has been visited by VOGEL in the past as well as by his associates, GUS ALEX [redacted] In the past, VOGEL has utilized the mineral health baths at the hotel, and it is possible that this may have been the basis of his alleged contact with the hotel.

to attempt to become as conversant as possible with the activity of VOGEL in the Los Angeles area. It is noted that, as is indicated in the details of this report, the deposit boxes located in the offices of the apartment building where VOGEL resides in Chicago, the Carriage House Hotel, were burglarized in January, 1970. The Chicago Office, in the investigation of that burglary, has forwarded a request to Los Angeles that VOGEL be interviewed concerning the contents of his deposit box. The Los Angeles Office is requested to provide an Agent from the Criminal Intelligence Squad to accompany the Agent who is assigned the above interview. At that time an observation and questions can be made of VOGEL as to the status of his health, it being noted that he is allegedly in very poor health, and is currently attempting to recuperate from the stroke which he suffered last summer. The Los Angeles Office is also requested to [redacted] Century Park East who may furnish information concerning the activity, visitors, etc. of VOGEL.

Synopsis: VOGEL spending most of his time at present in his apartment at Centry Park East, Beverly Hills, California. However, he continues to maintain suite at Lake Shore Drive Hotel in Chicago, although he is not known to have been in the Chicago area for the past 2 months. Lake Shore Drive Hotel apartment maintained in his absence by his associate HARRY HOCHSTEIN. Attempt to interview VOGEL terminated on advice from his attorney, EUGENE BERNSTEIN, that VOGEL did not desire to submit to interview.

- P -

DETAILS: AT CHICAGO, ILLINOIS.

CG T-1 advised that insofar as he is aware, VOGEL has not been in the Chicago area since early April, 1970. He advised that VOGEL continues to make a normal, although slow, recovery from the strokes which he suffered during the late summer of 1969, and for this reason finds the California climate of greater benefit than the Chicago area climate.

A pretext contact was made by SA WILLIAM F. ROEMER, JR., at the apartment of VOGEL which he currently maintains in Chicago at the Lake Shore Drive Hotel, 181 East Lake Shore Drive, Chicago, Illinois. On this occasion,

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

June 10, 1970, it was ascertained that VOGEL was not present and that the apartment was being occupied by his close associate, HARRY HOCHSTEIN, an individual in his 70's who has been closely associated with VOGEL and with other leaders of organized crime in Chicago since the 1920's or 1930's.

As has previously been reported, an effort was made on April 16, 1970, to contact VOGEL, and a message was left for him at the Lake Shore Drive Hotel to contact the Chicago Office. On April 22, 1970, Chicago attorney EUGENE BERNSTEIN, 55 West Washington, Chicago, Illinois, contacted the Chicago Office and advised that he was representing VOGEL. He advised that VOGEL did not desire to submit to an interview with the Chicago Office at this time.

Local Affairs: Under our laws, every defendant is entitled to an attorney. With that we can't quarrel. But when a member of the Illinois Crime Investigating Commission takes on the legal defense of 40 juke box operators including one repeatedly identified as gangster dominated, it seems time to question the propriety of his decision.

State Sen. Cecil Partee [D., Chgo.] has been a crime commission member since January, 1967, assuming his duties about three months before the agency held public hearings into crime syndicate domination of the multi-million dollar juke box industry.

He was on the commission when it heard testimony about an attempted mob take-over of juke boxes in Kane County. He was also on the commission when witnesses testified to the terror tactics hoodlums have used to gain a stranglehold on that business.

In short, Sen. Partee was fully acquainted with the name of the game the gangsters play.

Yet, now that Ill. Atty. Gen. Bill Scott and his top aid, Robert Atkins, have filed an antitrust action against a host of juke box operators, who turns up as a defense counsel for some of them but that same Sen. Partee, the guy who sits on the crime commission.

And among his clients in the case is the Apex Amusement corporation, an outfit that lists Edward [Dutch] Vogel as an officer and has employed Loop gambling czar Gus [Slim] Alex as a "salesman."

Vogel and Alex have been listed by the Chicago Crime commission as members of the hoodlum elite, so even if Sen. Partee slept thru all that testimony, he still could have learned the facts by reading a copy of that agency's "Spotlight on Organized Crime."

As we said, every defendant is entitled to an attorney, but taking this case just doesn't seem apropos for a man who willingly has cloaked himself in the robes of a crime fighter.

On 7/15/70, the office of the Century Park East Apartments was checked, and it was determined through Mrs. [redacted] that VOGEL had terminated his residence at that apartment house on 6/1/70. This record showed that this was an assignment of the lease to another party, and not merely a sublease. Mrs. [redacted] stated that the original lease with VOGEL was filed on 8/31/68, and that VOGEL had listed his brother, WILLIAM VOGEL, Sherman Oaks, California, telephone number 789-9819, as a relative.

The only forwarding address left with the Century Park East Apartments was the Lakeshore Drive Hotel, Apartment 1711, 181 East Lakeshore Drive, Chicago, Illinois.

Mrs. [redacted] stated that there was a notation that mail had been forwarded to VOGEL at that address by the apartment.

Mrs. [redacted] stated that to the extent of her knowledge, no woman had ever resided at the apartment with VOGEL nor was the lease carried in the name Mr. or Mrs. VOGEL. However, she stated that there was an individual by the name of ANN FENNER who had come to the apartment on a few occasions, and was thought by the management to be VOGEL's secretary.

Periodic spot checks have been made at the residence of ANN FENNER at 4655 Whiteoak, Encino, California, but no activity has been noted which would indicate that VOGEL could be staying at that address. On at least two or three occasions when the spot checks were made at this location, the only car noted in the driveway was the vehicle belonging to ANN FENNER.

Title: EDWARD DAVID VOGEL

Character: ANTI-RACKETEERING

Synopsis: VOGEL currently residing Suite 1711, Lake Shore Drive Hotel, 181 East Lake Shore Drive, Chicago, Illinois, with his long-time associate, HARRY HOCHSTEIN. Terminated his lease and moved from his residence at the Century Park East Apartments in Los Angeles, California. Travel to Las. Vegas, Nevada, 7/26/70, from Chicago.

- P -

DETAILS: AT CHICAGO, ILLINOIS

CG T-1 advised that VOGEL continues to spend most of his time out of the Chicago area, presumably in Southern California where he has resided for the past several years. He advised, however, that VOGEL continues to maintain an apartment in the Lake Shore Drive Hotel in Chicago and that he resides in the hotel with his long-time associate, HARRY HOCHSTEIN.

CG T-1 advised that although VOGEL has the health which might be expected of an old man who has recently recovered from a stroke, he is able to make his own way and to conduct normal activity for a person in such a position.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

CG T-2 advised that VOGEL is currently residing in Apartment 1711 in the Lake Shore Drive Hotel, 181 East Lake Shore Drive, Chicago, Illinois. He is on a 2 year lease which commenced on April 1, 1970. Apartment 1711 is a 2 bedroom suite which costs $850 per month. CG T-2 advised further that VOGEL maintains his automobile in the Drake Tower Garage located at 178 East Walton Street at a cost of $50 per month. CG T-2 advised that although he believes VOGEL spends considerable time outside the City of Chicago, his apartment is always occupied in view of the fact that an elderly individual who is a companion of VOGEL resides with VOGEL and maintains the apartment when VOGEL is not in Chicago. CG T-2 advised that he does not know the name of this individual. However, from a description of him it would appear that he is identical with HARRY HOCHSTEIN, above.

CG T-2 advised that he frequently sees VOGEL in the lobby of the Lake Shore Drive Hotel at 9:30 to 9:45 a.m., when VOGEL is in Chicago.

On June 11, 1970, [redacted] Century Park East Apartments, was contacted at his residence at [redacted], California, telephone [redacted] b6 b7C

[redacted] was shown a photograph of VOGEL and indicated that he did know him as a tenant at the apartment house, but that he saw him very infrequently. [redacted] stated that he had last seen VOGEL approximately [redacted] when VOGEL left the apartment house allegedly for the airport. Prior to that time, [redacted] stated he had seen VOGEL on a few occasions, and VOGEL was accompanied by another man who resembled him and could possibly be his brother.

[redacted] was also shown photographs of [redacted] and JOHN ROSELLI, but indicated that he could not recall these individuals as being associated with VOGEL.

Further, [redacted] stated that it was possible on occasions, VOGEL could [redacted] the apartment house without his, [redacted] VOGEL could [redacted] the location [redacted]

b6
b7C

[redacted] stated he would be alert to the comings and goings of VOGEL and would attempt to keep some track of VOGEL's activities.

On June 15, 1970, [redacted] was again contacted in response to a message he had left at this office and he advised that he believed VOGEL had vacated his apartment as the list of tenants [redacted] showed a different name for the apartment formerly occupied by VOGEL. [redacted] stated that he would have no way of knowing whether this was a sub-lease by the new tenant or a new lease.

On July 15, 1970, the office of the Century Park East Apartments was checked and it was determined through Mrs. [redacted] that VOGEL had terminated his residence at that apartment house on June 1, 1970. This record showed that this was an assignment of the lease to another party, and not merely a sublease. Mrs. [redacted] stated that the original lease with VOGEL was filed on August 31, 1968, and that VOGEL had listed his brother, WILLIAM VOGEL, Sherman Oaks, California, telephone #789-9819, as a relative.

The only forwarding address left with the Century Park East Apartments was the Lake Shore Drive Hotel, Apartment 1711, 181 East Lake Shore Drive, Chicago, Illinois.

Mrs. [redacted] stated that there was a notation that mail had been forwarded to VOGEL at that address by the apartment.

Mrs. [redacted] stated that to the extent of her knowledge, no woman had ever resided at the apartment with

VOGEL nor was the lease carried in the name Mr. or Mrs. VOGEL. However, she stated that there was an individual by the name. of ANN FENNER who had come to the apartment on a few occasions, and was thought by the management to be VOGEL's secretary.

Periodic spot checks have been made at the residence of ANN FENNER at 4655 White Oak, Encino, California, but no activity has been noted which would indicate that VOGEL could be staying at that address. On at least two or three occasions when the spot checks were made at this location, the only car noted in the driveway was the vehicle belonging to ANN FENNER.

CG T-3 advised that VOGEL left the Chicago area on [redacted] via TWA, Flight 339, enroute to Las Vegas, Nevada. The informant was unable to provide any information concerning the nature of VOGEL's purpose in visiting Las Vegas. Investigation by the Las Vegas Office did not verify the presence of VOGEL in Las Vegas. b7D

State Settles Suit in Juke Box Control

BY JOHN O'BRIEN

The office of Illinois Atty. Gen. William J. Scott announced yesterday a settlement in its legal action to wrest control of the multimillion-dollar juke box industry in Chicago from the crime syndicate.

Terms of the agreement, which in effect opens the industry to free and unhindered competition, were approved in Circuit Court and disclosed by Scott's antitrust division chief, Robert S. Atkins.

The agreement in the form of a consent decree brought to an end 11 months of litigation in which Scott accused two top mob bosses and a number of their alleged henchmen among 47 individual and corporate defendants of violating state antitrust laws by conspiring to eliminate competition in the placing of juke boxes in taverns and restaurants thruout the city.

Fines Were Sought

His suit sought $50,000 fines against all defendants and revocation of the charters of the 14 corporate defendants, including juke box distributors, and the principal defendant, the 200 member Recorded Music Service Association, Inc., 188 W. Randolph St.

The suit alleged that the association and another defendant, Commercial Phonograph Survey, served to stifle the juke box industry by allocating distributor routes to select firms and exchanging reports on available locations for the machines which were limited to members.

The two hoodlums, Joseph [Joe Gags] Gagliano and William [Wee Willie] Messino, were identified in the suit as the behind-the scene powers of Commercial, a self-styled public relations firm at 25 E. Chestnut St., which "investigated" new member applicants in the association.

Called a Victory

Atkins said the consent decree, approved by Judge Samuel Epstein at the request of all parties to the action, amounts to neither an admission or denial of the charges raised in the suit. He described the pact as a victory for the state and free trade.

The agreement specifically enjoins all defendants, including Gagliano and Messino, a convicted loan shark now serving a prison sentence, from "threatening, coercing or intimidating" tavern owners and others wanting juke boxes for their businesses to deal with them exclusively.

One association rule, struck down by the agreement, prohibited a member from servicing a juke box location for six months if the proprietor refused to accept the member. Scott's suit said association members control the placing of virtually all juke boxes, noting that in 1969, 7,245 were licensed for use in the city, and that 7,158 were owned by the defendants.
